Dr. Nancy Mark, Principal

Can you believe March is almost here and it is only a little over 3 months left of school? I encourage you to be involved in your child's activities. Please be watching for Pizza Hut Nights and Bojangles Nights. Commission from these nights will help defray the cost of the Washington, DC trip.

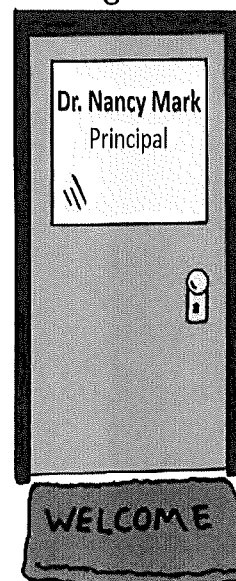

Spring will be here in less than 3 weeks and that means a busy time for our students. We will be gearing up for spring field trips, so as a reminder, volunteers will need to have a background check before accompanying students on field trips, as well as general volunteering in the school setting. This is a Rockingham County-wide requirement. We have to put the safety of our students first. Please plan accordingly.

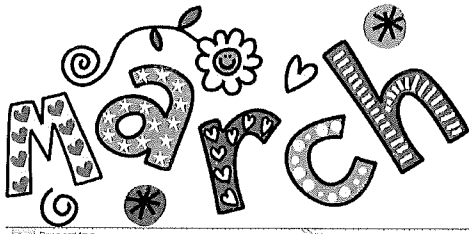

Daylight Savings Time will begin on Sunday, March 8. Don't forget to turn your clocks forward one hour. It is very important that our students be on time every day. The morning bell rings at 7:45 a.m. Students should be in their classroom and in their seats at 7:50, when the tardy bell rings. Any student arriving after 7:50 a.m., must be walked in to the building and signed in. We appreciate your help in this matter.

Here at Douglass, we strive to create a positive and encouraging place for our students and staff. We are glad to have you here with us.

Remember, let's make it a great day to be an Eagle as we set the stage for the next generation of leaders.

*Sincerely,
Dr. Nancy Mark, Principal*

March: The character trait for the month of March is **Perseverance**. Perseverance is being persistent to try again when confronted with delays, mistakes or failures. Children seem to be able to easily overcome struggles learning to do fun things like riding a bike or shooting basketball hoops. However, when it comes to academics, I find most children struggle to persevere. One of the things I teach students is to have positive self-talk. I actually use it myself. Saying statements like never give up and I can do this will help build that student up. Thoughts have great power.

"Perseverance is the hard work you do after you get tired of doing the hard work you already did."

Newt Gingrich
